Basic Facial

30 minutes for \$75.

This ZO treatment includes cleansing, exfoliation, limited extractions, toning, and a moisturizing treatment.

Coconut Papaya Enzyme Facial

60 minutes for \$125

Coconut and papaya enzymes dissolve dead skin cells revealing healthy soft skin. The small molecular structure of coconut allows for easy absorption through the skin giving it a soft, smooth texture. Ideal for all skin types especially for dry, rough and wrinkled skin.

Raspberry Peach Enzyme Facial

60 minutes for \$130

Perfect for all skin types looking for soft, moisture-rich skin. This refreshing, anti-aging facial is packed with antioxidants leaving you with a healthy glow. This treatment includes raspberry peach enzyme, vitamin C and goji berry.

Advanced Facials

Fire and Ice - Ultimate Red-Carpet Facial

60 minutes for \$150.

Package of three for \$400

Our most popular facial, this intensive clinical treatment is designed to rapidly and safely resurface the skin, diminishing the appearance of fine lines and wrinkles while smoothing, softening, and encouraging overall skin rejuvenation.

Passion Fruit Enzyme Facial

60 minutes for \$145

Passion fruit is a natural enzyme meant to increase blood circulation and firm the skin. Kollagen peptide increases resiliency and elasticity in the skin by supporting dermal tissue strength provided by collagen type 1 and 3.

Blueberry Enzyme Facial

60 minutes for \$140

The antioxidants within the blueberries are a perfect anti-aging treatment that will create a healthy glow with 1% glycolic and 1% salicylic. This removes dead skin cells and softens sebum (oil production).

Lemon Zest Enzyme Facial

60 minutes for \$140

Exfoliate and brighten the skin with the antioxidant and lightening benefits of lemon. Promotes deep hydration that protects from environmental damage while relieving the surface signs of aging. Best for normal-dry skin seeking anti-aging, hyperpigmentation and sun damage repair.

Pomegranate Enzyme Facial

60 minutes for \$135

A blend of antioxidants consisting of Lactic, Alpha-Arbutin, Glycolic and Salicylic acids promote deep hydration, reduces oiliness and lightens the skin from irregular pigmentation. Perfect for those with acne, oily skin, hyperpigmentation, melasma and/or sun damage.

Sublative Treatment

This Sublative, radio frequency treatment enables you to achieve a more youthful appearance through improving skin tone and texture, treating mild to moderate wrinkles and textural irregularities. Over time, our skin is affected by sun exposure, loss of collagen and moisture. This treatment induces tissue remodeling, with increased production of collagen and elastin leading to skin tightening. We are able to deeply penetrate the skin and stimulate collagen production beneath the surface, while keeping the outer layer of skin intact.

For best results: 3 treatments, 4-6 weeks apart
Expect 1-5 days of downtime.
